# THE LIBRARY MONTHLY

## Library Autumn Reading Challenge

It is almost the end of our Autumn Reading Challenge. You have until the end of term (20th December) to see how many books you can read. Every bookmark with 5 or more icons will earn a beautiful book pin badge as a reward so don't forget to bring your completed bookmarks to the library to collect your badge!

## Book Fair!

This year's Scholastic book fair was a huge success with lots of students from across the school getting involved, coming to check out the books and buying their favourites. Top choices were The Grandest Game, a range of Graphic novels and a number of crime thrillers! All the sales mean we managed to raise almost £300 worth of rewards to use with Scholastic to purchase new books for the library. Look out in the new year for a whole range of new books to appear! If you have a book request or suggestion for the library then just let Mrs Lumber know!

## Christmas Gifting

As our thoughts this month turn to the celebration of Christmas we may also start to think about things we would like to gift or be gifted at this time of year. The gift of a book is always a winner as it can be enjoyed for much longer than just Christmas day. Why not have a look at some of these festive inspired titles and new releases which you could buy for friends and family or even request yourself!
